

Halloween Party

Nearly 200 people attended the Beaubassin-est Halloween Party on Thursday, October 25th, 2018. They visited the Haunted House, there was a presentation on Halloween safety and bags of candy were given to the participants.

A group of volunteers contributed to the success of this event, notably Danicka Belliveau and Janie Leger in the Haunted House, as well as photographer Louis Melanson who has once again lent his talents to capture the best moments of the evening. Members of Council and Beaubassin-est employees also collaborated to the organization of this annual activity.
