

Canadian Tire Jumpstart Program

The Jumpstart program, which is sponsored by Canadian Tire and the Maurice-Léger Foundation Inc., offers children aged 4-18 from financially disadvantaged families a chance to participate in sports and recreational activities such as hockey, ringette, dance, swimming, volleyball, scouts and martial arts, among others.

Parents can now register their child online at the following link : www.canadiantire.ca/jumpstart
A proof of the family income (family's GST Tax Credit or Canada Child Tax Benefit statement) must accompany the application form.

If the parent qualifies and the funding is available, the program could contribute up to \$600 per year to cover costs related to registration and equipment for a child. For more information, you may contact Francine Landry at 532-0730.
