

## **Beaubassin-est Summer Party**

Approximately 300 people attended the Beaubassin-est Summer Party on Sunday, August 12th, 2018. Council members were very happy to welcome the public to begin the celebrations leading up to the “Congrès mondial acadien” in 2019.

Activities included a free BBQ, corn, cake, inflatable games, face painting, crafts, and music with local musicians Hubert Gallant and the Countryside. The Beaubassin-est firefighters were also on the scene so kids could visit the firetruck.
