

Registrations Subsidies Program

Residents of Beaubassin-est can receive a \$ 50 grant if they enroll their children aged 0 to 18 in sports, recreational, educational, artistic and cultural activities. The purpose of this new program is to allow more kids in the community to register for eligible activities.

To receive the grant, you must submit the completed Grant Application Form for Registration and proof of payment of the registration fee. Anyone will be eligible for one financial support per year, until funds are exhausted for the current year.

If the registration fee for an activity program is less than \$50, you can include registration for more than one activity program on the registration form to receive the full grant. Only completed applications for programs in the current year will be evaluated.

The deadline for submitting an application for the current year is November 30 of each year. The Grant Application Form for Registration is available at the Beaubassin-est office at 1709 Route 133 in Grand-Barachois or on the municipality's website at www.beaubassinest.ca. For more information, call 532-0730.
