

**Promotion of Community Activities**

The Beaubassin-est Rural Community prepares a list of community activities in the area to submit to newspapers and radios to advertise in free columns. Community organizations shall submit the details of their community activities in writing to the Community Services Officer no later than Thursday, at noon, each week. The community activities are also posted in the "Community Calendar" on our website, on the Bulletin Board of the Town Hall and they are emailed to leaders of community organizations.
